When you sign up, you're signing up under me, but guess what? I'll help you!

Yes, just sign up under me (send me your name and link), and here's what I'll do for you:

- See the link above? I'll switch that (and other links) to your signup link at different times.
- I'll get you a copy of the 1-page website I use to sign people up and I'll put your link in it. So, a free website for you.
- On my version of that website, I'll switch it to your link at different times. That page sees 300 or more page views per day.
- I have an email list of over 3,000 people. I'll be sending your link out to that list.

I'll take care of you and help you get people in your downline. Let's do this!

When you sign up others is when the fun really begins. People are getting hundreds of dollars sent to them weekly – some are getting thousands. With any program, it depends on you, so no guaranteed, but the way their commissions are set up, it's the best out there – hands down.
