What Should I Name My Wi-Fi? (Funny Ones)

Naming your Wi-Fi something *normal* is a missed opportunity. Your network name (SSID) is your digital front porch. It says something about you—hopefully that you have a sense of humor.

If you're wondering **"What should I name my Wi-Fi?"**, you're in the right place. Here are **57 funny Wi-Fi names**, divided into helpful categories, including tech puns, passive-aggressive gems, and more.

Use them as-is or tweak them to fit your vibe. Either way, you win.
