

A Smarter Way to Lower Fees Without Cutting Services

The Problem:

Condo fees keep rising—insurance, landscaping, maintenance, repairs... it all adds up.

In some places, residents are being hit with **special assessments over \$400/month** just to keep things afloat.

The Solution:

CUE Broadcast helps condo boards earn **recurring monthly income** by offering residents a powerful alternative to cable.

- Over **1,300 live channels** – including premium channels, movies, sports networks
- Unlimited on-demand content
- Works on up to **5 devices at once**
- Just **\$59.99/month**
- Board earns **\$10/month per subscriber**

30 residents = \$300/month = \$3,600/year in extra budget

How It Works:

1. Board signs up for CUE
2. Become a free affiliate
3. Share your affiliate link with residents
4. Every signup = \$10/month, every month

Bonus: Residents Can Earn Too

With CUE's "**Refer 3, Get It Free**" program, any resident can share their link and earn free service—or become an affiliate themselves and get \$10/month per signup.
